## About Me

Good Day!, I'm Jewell Toby R. Galvez, 20 years old from Hagonoy Bulacan, As a dedicated student currently pursuing BS in Information Technology at Bulacan State University, I am driven by a thirst for knowledge and a commitment to academic excellence. With a passion for Coding, I have embraced a diverse curriculum that has not only equipped me with a solid theoretical foundation but has also cultivated practical skills in Programming. Through my academic journey, I have developed strong analytical and critical thinking abilities, evident in my approach to tackling complex problems and projects. Beyond the classroom, I actively seek opportunities for personal and professional growth, engaging in extracurricular activities and internships to broaden my skill set. A curious and adaptable learner, I am excited about the prospect of applying my education and experiences to make meaningful contributions in my chosen field.

## Objectives

As an independent and driven college student, I am seeking a server position where I can apply my exceptional customer service abilities to enhance and elevate the dining experience for customers. I am dedicated to providing topnotch service and creating a welcoming atmosphere. Additionally, I am eager to seize an opportunity that allows me to maximize my skills and contribute to the growth and expansion of the organization.
